

Summer Journalism Institute for Women
(23-31 August 2018, India Habitat Centre (Tamarind Hall), New Delhi)

GROUP CONCESSION PROGRAMS

Given our commitment to inclusion and community building, and in light of multiple inquiries and requests regarding concessions, we are delighted to announce two concession programs. Please note: Those who are looking to register *and* those who have already registered can avail of these group concession programs.

I. “LEARN WITH FAMILY & FRIENDS” CONCESSION PROGRAM

We are excited to announce the “Learn With Family & Friends” concession program. Why learn by yourself when you can learn with your family and friends?

The standard individual rate for the course is Rs. 20,000 per person, but based on the “Learn With Family & Friends” concession program:

- If you register in the course with 1 other friend/ family member, then you both will receive a 20% concession (Rs. 16,000 per person instead of Rs. 20,000 per person).
- If you register in the course with 3 other friends/ family members, then all of you will receive a 30% concession (Rs. 14,000 per person instead of Rs. 20,000 per person).
- If you register in the course with 5 other people, then all of you will receive a 40% concession (Rs. 12,000 per person instead of Rs. 20,000 per person).

II. INSTITUTIONAL CONCESSION PROGRAM

We are excited to also announce the Institutional Concession Program. Get a group together with other members of your academic or journalistic institution (if you are currently part of one), and save!

Please note: By “academic or journalistic institution” we mean colleges, universities, research institutions, think tanks, career training and counselling centres, academic preparatory centres, publishing organisations, and a variety of possible kinds of journalism organisations. And by “members” of an academic or journalistic institution, we mean everyone from students to researchers, teachers to alumni, reporters to editors, publishers to interns. To avail of the Institutional Concession Program, groups can organically be formed by members of the same institution, or can be formed with the help of an authority figure, such as a Head of Department.

The standard individual rate for the course is Rs. 20,000 per person, but based on the “Institutional Concession Program”:

- If you register in the course with 1 other person connected with the same institution, then you both will receive a 20% concession (Rs. 16,000 per person instead of Rs. 20,000 per person).
- If you register in the course with 3 other people connected with the same institution, then all of you will receive a 30% concession (Rs. 14,000 per person instead of Rs. 20,000 per person).

-- If you register in the course with 5 other people connected with the same institution, then all of you will receive a 40% concession (Rs. 12,000 per person instead of Rs. 20,000 per person).

GENERAL RULES OF THE CONCESSION PROGRAMS:

1. The eligibility requirements for the course continue to apply for the concession programs.
2. Each member of a group must individually fill out the registration form. All financial transactions between Academe India and a group will be carried out individually with each member of the group, and so each member of a group must pay their individual amount (after subtracting the relevant concession amount) on their own.
3. You must answer the “Names of other members of your group” question on the registration form.
4. Each person of a group must individually pay the amount due for them individually. For example, in the case, say, of a six-person group, each person must individually register and individually pay Rs. 12,000.
5. No person can at the same time avail of more than one concession program.

FAQs:

Q: I have already registered and paid, and my friend(s)/ family member(s) or institution members are also looking to register. What should we do to avail of either of the two concession programs?

A: All members of a prospective group, including those who have already registered and paid, can avail of the concession program. If you have already registered and paid, and have a group (the other members of which are looking to register) let us know at sjiw@academeindia.com. As soon as we receive the other group members’ payments, we will refund you your concession amount. (For example, we will refund you Rs. 8,000 if you are becoming a part of a six-person group).

Q: I have already registered and paid for the course, and know of another person/ another three people/ another five people (who are friends or family members, or members of the same academic or journalistic institution as me) who have registered and paid. Can we avail of either of the concession programs?

A: Yes. We must receive an email from each member of your group, at sjiw@academeindia.com, confirming the names of the others who are a part of the group. This offer will stand only up till a week before the start date of the course.

Q: In the case of the “Learn With Family & Friends” concession program, can my group consist of some combination of friends and family members, rather than only family members or only friends?

A: Yes.

In case of any queries, write to us at sjiw@academeindia.com or call us at 97926-99333.
